## RESPECTING THE ENVIRONMENT

As a writing equipment manufacturer, we have been certified in accordance with the FSC® standard since 2001.

Das Zeichen für verantwortungsvolle Waldwirtschaft

This means that we operate under the close supervision of the Forest Stewardship Council (FSC) and are committed to the environmentally-friendly use of forests.

**Jolly products are non-toxic and 100% child-friendly!**

## MADE IN AUSTRIA!

Jolly coloured pencils and graphite pencils are produced in Hirm (Burgenland) and Graz.

With the purchase of JOLLY products you strengthen the Austrian production and help to keep 250 jobs!

As part of school excursions the Jolly factories can also be visited. Experience first hand how the lead gets into a pencil.

## CONTENTS

Jolly operates in accordance with the value product guidelines.

All products are manufactured and regularly tested in accordance with the 2009/48/EC guidelines on toy safety and European standard EN 71.

JOLLY products are free from any hazardous materials such as heavy metals, PAH, phthalate plasticisers, prohibited preservatives, primary aromatic amines and prohibited dyes.

**For more information about these CHILD-PROOF products, visit: [www.jolly.at](http://www.jolly.at)**

## SPECIAL PRODUCTS FOR TODDLERS

A lot of Jolly products have been especially invented for infants!

The focus here is on grip and hold! Extra thick pencils make it easier to learn how to hold and write with a pencil and foster the child's motorical abilities.

Products specifically designed for small children are marked with this icon.
